Allison Armstrong - welcome attendees and introductions. Mr. Hendricks is at a principal meeting today, so he is unable to attend today. Vice Principal Charlie Peterson present instead.

Meeting Minutes- Allison Armstrong made a motion to approve the October meeting minutes as written. Jen Treadway made a second motion to approve. October minutes approved as written.

Jen Treadway presented Treasurer Report- Nine new PTSA memberships in October - waiting on a check from Chris Brimley. Discussion about line item for Fan Bus — discussed ideas for offering the Fan Bus to District Championship sporting events as an incentive for students based on grades or citizenship.

Legislative VP Mark Miller reported that PTA Day at the State Capitol will be held in February. Discussed the funding needs to send students to this event - could consider a passive fundraiser to raise money to send students. Parent transportation was an issue last year — one possibility might be to share a bus with Wasatch Jr. High.

Reflections- low number of entries. Announcements were made and posters were put up, so not sure why low turnout. Winners were able to each invite a friend and they received a Chick-Fil-A lunch today.

Halloween Hustle - Thank you to Lisa Doyle for chairing. The event was canceled due to weather - planning to reschedule in the Spring - date TBD. To celebrate Halloween, the PTSA instead made a last-minute call for volunteers and handed out candy to students during lunch on Halloween.

Reality Town - Nov. 13th — doing good on volunteers this year. Almost 60 volunteers signed up.

Vision Screening- Nov. 19 @ 9:00am for 7th Graders. More volunteers needed. Sign up on SignupGenius.

Emergency Preparedness- We now have water bottles good for five years. Thanks to Fauncy DalCanto. If extra money in the budget at the end of the year, Allison would like to purchase a cart for transport of the emergency items.
