## Souper Bowl of Caring-January 2019

We are raising money and collecting food for hungry kids and families in Granite School District. This is a student led fundraising effort. Bring cans or money to school, or donate on <https://granite.successfund.com/churchill> . Remember to note your student's 2nd-period teacher so their class receives credit in the class competition.

**MENCHIES-** Menchies will be selling frozen yogurt at school on Jan. 24th for \$4. Menchies will donate back to the Souper Bowl of Caring in Churchill's name.

Thank you for your donations and helping our community!

## School of Excellence Award Process-

Our school has many great attributes. Our test scores are at top of Granite District Jr. High schools. We have a wonderful community of parents, students, teachers, administration and staff. We are in a good position to apply for this award.

We just need a committee willing to work towards a common goal. The amount of time required would be determined individually. Most of the meetings can be held before school or in the evenings.

This award would gift the school \$2000. But the prestige and recognition would be substantial. Our children and community would greatly benefit.

If you are interested, please contact Allison at (801) 910-0311 or [armstrongalli@hotmail.com](mailto:armstrongalli@hotmail.com).
